Ref.No.220/2026

To,

06-10-2026

The Commissioner of Police,

Bengaluru City, Bengaluru

Respected Sir,**Subject: Complaint seeking registration of FIR and investigation into the alleged organized filing of false Form 7 applications for deletion of minority voters in 157-Malleswaram Assembly Constituency**

I, Ramesh Babu, Advocate and Chairman, Media & Communication Department-KPCC, No.14, Queens Road, Bangalore-560052, and a concerned citizen, submit this complaint on the following facts.

A news report published on 06-10-2026 by Edina.com alleges that leaders and workers of BJP political party are filing Form 7 applications under the Registration of Electors Rules, 1960, to delete voters belonging to the minority community from the electoral roll of Malleswaram Assembly Constituency. The report further alleges that the party office was used for this purpose. A copy of the link/ report is enclosed as Annexure A.

If true, the allegations disclose a coordinated effort to disenfranchise lawful voters on communal grounds by making false declarations and objections before the Electoral Registration Officer. This strikes at free and fair elections and the voting rights guaranteed under Article 326 of the Constitution.

The conduct alleged, if established, may constitute offences including: Section 31, Representation of the People Act, 1950, Sections 61(2), 318, 336 and 340 of Bharatiya Nyaya Sanhita, 2023 and Section 353, Section 196 of BNS if the selection of voters is found to be based on religion.

Hence I request that you that, Direct registration of an FIR under Section 173 of the Bharatiya Nagarik Suraksha Sanhita, 2023, as the information discloses cognizable offences, Direct a time-bound investigation into the persons who filed the Form 7 applications, those who prepared, collected or coordinated them, and any persons who provided premises or resources for the purpose, Obtain from the Electoral Registration Officer, Malleswaram, the Form 7 applications received, with particulars of applicants, mobile numbers and supporting documents, and examine whether the applicants exist and whether they filed these themselves, and secure and preserve digital evidence, including device data, messages, CCTV footage and records relating to the premises alleged to have been used, and to take appropriate preventive steps so that no eligible voter is removed from the roll on the basis of such applications.

Thanking you,

Ramesh Babu,
